

Dear Swapnil,

A good resume can accelerate your chances of getting a better job. The hiring manager cannot interview all the applicants and thereby your chance of getting an interview call entirely depends upon your CV.

At cvDragon follows a scientific approach and uses the best of technology to create a perfect resume, ensuring that you get more job opportunities. We define a resume on the basis of certain parameters (mentioned below) :

Your Resume Score

89/100

Resume Parameters	Total Score	Your Score
Language & Sentence construction	15	15
Presentation of important content	15	15
Format & Design	10	10
Font type & size	5	5
Profile Picture	5	0
Length of your CV	10	10
Career Objective	5	0
Work Experience explanation	20	20
Other important sections	10	9
Basic contact information	5	5

CV Improvement Suggestions

1. **Add a Career Objective:** Include a brief and clear career objective at the beginning of your CV to highlight your goals and aspirations.
2. **Add a Professional Picture:** Attach a professional picture to your CV to give it a polished and personal touch.

Kindly make these changes to improve your CV.

Best of Luck!
